ABNORMAL LOAD SERVICES

Established in 1980 - ALS' teams are exceptionally committed and take pride in providing clients with a reliable, professional and honest service with one local point of contact.

As a specialist logistics provider, we offer unique solutions for oversized, abnormal, exceptional and heavy lift cargo shipments by: road, rail, air, sea and barge both nationally and internationally.

From airfreighting the smallest components, arranging the transportation of oversized cargo, providing permit and escort solutions to organising global container shipments, storage and warehouse options or chartering a vessel; our dedicated teams understand our client's needs and provide a service that reflects the professional standards demanded in the industry today.
