The ALS

# GLOBAL CONTAINER MANUAL

## Step 1

### Contact ALS

When you make contact with us you will find:

- Local, multilingual staff
- A global network of offices and reliable partners
- Over 30 years' experience in oversized cargo and standard shipments
- Knowledge in a wide range of industry sectors
- In-house teams located within several original equipment manufacturers' factories in Europe

## Step 2

### Discuss your requirements:

Our flexible and experienced teams can assist with all aspects of your logistics needs including:

- Door to door deliveries
- Pre carriage and on carriage
- Local handling
- Customs documentation

## Step 3

### Assess your needs:

We offer a wide range of bespoke logistics services tailored to your needs :

- Warehousing and storage
- Road transport - Less Container Load (LCL) / Full Container Load (FCL) & oversized cargo shipments
- Stuffing / lashing / securing of your goods in a container

## Step 4

### Select your solutions:

As a non-asset based provider we are not tied to any particular supplier and our knowledgeable and dedicated teams will help you select the right partner for the shipment

- Multi modal transportation solutions by: road, rail, sea
- Full container load (FCL): Shipping your goods in a full container - General Purpose (GP) / High Cube (HC) / Open Top (OT) and reefer containers
- Less than container load (LCL): Shipping your goods that will not fill a full container
- Special container cargo: Goods that will not fit into a standard container (GP) will be shipped as special equipment on a Flat Rack, in an OT container or as conventional/ break bulk cargo

## Step 5

### Sit back and relax and let us do the work for you....:

- Competitive
- Unique solutions
- Customer Service
- Reliable

## Step 6

### Review:

Our teams like to keep in touch and keep you up to date with your logistics movement
